

LEFT-OVER BABY SUPPLIES?

Isis Kraamzorg maintains its own baby supply exchange. We collect second-hand baby clothes and other supplies and pass these on to families in need. We have locations in both Groningen and Heerenveen.

DONATIONS

We are very happy to receive any of your left-over baby supplies in good condition. Your items will be an enormous help to other parents. We accept baby clothing up to size 68. Everything for babies up to six months is welcome, excepting stuffed animals and toys. We also prefer not to accept playpens. See our website for donation times.
